Before this Court is the defendant's motion to extend the pretrial motions cutoff date in this matter, which is presently scheduled for September 23, 2008. Defense counsel was appointed on August 13, 2008, and did not receive discovery until September 18, 2008. Therefore counsel requires more time to become familiar with this case in order to effectively prepare for pretrial motions. The government has been contacted and has no objection to the proposed extension of time to file pretrial motions. Trial is presently scheduled in this matter for October 28, 2008.

The Court finds, after a consideration of all relevant information and the circumstances of this case, that defendant's motion for extension of time to file pretrial motions should be granted. The pretrial motions cutoff date, presently scheduled for September 23, 2008 is VACATED.
